Cikarang, West Java, Indonesia | +62 821-1236-6831 | adamyudhistiramuhhtar@gmail.com | [LinkedIn](#) | [GitHub](#)

Junior QA Engineer at PERURI, Indonesia’s national currency authority. Executed 50+ test cases and documented 15+ defects per release cycle with clear, unambiguous Jira reporting. Led cross-functional teams of up to 14 members and drove 120% MoM impression growth through structured content operations.

CORE TECHNICAL COMPETENCIES

Testing: Functional Testing | Regression Testing | Smoke Testing | Manual Testing | Test Case Design | Test Case Execution | Bug Reporting
Defect & Test Management: Jira (Defect Tracking & Issue Documentation) | Test Scenario Design | Defect Life Cycle | Test Documentation
Automation Exposure: Selenium WebDriver (academic/environment setup) | Git | Automation Testing Workflow (onboarding stage)
Tools & Environment: Python (Basic) | Figma (Basic) | VPN & LAN Networking | Internal QA Tooling Setup

PROFESSIONAL EXPERIENCE

Quality Engineer	Mar 2026 - Jun 2026
PERURI (Perum Percetakan Uang Republik Indonesia) National State-Owned Enterprise Jakarta	
- Maintained pre-release stability across multiple project builds by executing 50+ structured test cases and 20+ test scenarios per biweekly deployment cycle in the beta environment. - Achieved zero-ambiguity defect handoffs by documenting 15+ Jira issues per cycle with full reproduction steps, severity classifications, and environment context, directly reducing triage time for the development team. - Influenced sprint-planning decisions by presenting defect-status summaries and test-coverage reports in weekly QA syncs and daily standups. - Advanced the QA team’s automation roadmap by establishing the API automation testing environment foundation, including Git repository access and framework onboarding.	

ORGANIZATIONAL LEADERSHIP

Commission IV Coordinator - Communications & Process Governance	Dec 2025 - Present
Dewan Perwakilan Mahasiswa (DPM), Telkom University Jakarta - Student legislative body	
- Scaled institutional communication output across three subdivisions (social media, design, and publication & documentation) by directing a 14-member team with defined workflow standards and delivery timelines. - Reduced documentation inconsistencies across advocacy programs and institutional reports by implementing structured quality-control protocols for all published materials.	
Member - Marketing Crew	Nov 2025 - Present
FGD/@Storytelyu (Instagram), Telkom University Jakarta	
Produced Reels content for the @Storytelyu Instagram account, creating platform-adapted short-form video content targeting prospective high school student audiences.	
Creative Media Coordinator	Mar 2025 - Nov 2025
Dewan Perwakilan Mahasiswa (DPM), Telkom University Jakarta - Student legislative body	
- Produced and reviewed visual communication assets for DPM's Academic Affairs division, including advocacy publications, seminar materials, organizational agendas, maintaining brand consistency across all outputs. - Coordinated a 7-member team across social media, design, and documentation sub-divisions, managing inter-division workflows and ensuring alignment of creative outputs with institutional communication guidelines.	
Head of Creative Division	Dec 2024 - Nov 2025
Telkom University Jakarta E-sports - University competitive gaming organization	
- Led a 2-member creative team in the production and publication of graphic and video content across Instagram, managing content review cycles and maintaining visual brand standards for internal tournaments and external campaigns. - Monitored platform performance analytics to evaluate content effectiveness and inform creative direction, contributing to a measured increase in engagement rate over a 3-month period.	
Event Division Staff	Apr 2025 - Sep 2025
Inforvation - Essay & UI/UX Competition, Telkom University Jakarta	
- Maintained technical rundown documents and operational flow specifications for two parallel competition branches, coordinating event execution against defined schedules and procedures. - Managed coordination with judges, participants, and MCs across competition activities, handling real-time operational communication and documentation to support structured event delivery.	

Member - Marketing Crew

Jan 2025 - Nov 2025

FGD/@smbtelkomjkt (Platform X), Telkom University Jakarta

- Produced and published meme and humor-based visual content on a regular publishing cadence for the @smbtelkomjkt account on Platform X, contributing to a 120% increase in monthly platform impressions within the first 5 months.
- Developed and published promotional content for Telkom University on Platform X, adapting messaging and format to align with audience expectations and institutional communication objectives.
